# A Charter to Challenge Poverty

For our tenants, we will:

- Support welfare benefits and money advice services in our areas.
- Provide opportunities for volunteering across a wide range of projects.
- Support Jobs Clubs and employability programs in our areas, to help people into work and to avoid sanctions.
- Support projects in our area aimed at reducing tenants' energy costs.
- Improve access to the internet to help tenants access benefits and job opportunities.
- Keep rents affordable.
- Work on our own, and with partners, to reduce child poverty in our communities.
- Meet required energy efficiency standards in the housing we provide.
- Participate in relevant campaigns aimed at challenging poverty.
